

- NOTICE TO PATIENTS -

State law, A.R.S. 32-1401(25)(ff), requires that a physician notify a patient that the physician has a direct financial interest in a separate diagnostic or treatment agency to which the physician is referring the patient and/or in the non-routine goods or services being prescribed by the physician, and whether these are available elsewhere on a competitive basis. I support this law, because it helps patients make reasoned financial decision concerning their medical care.

In compliance with the requirements of this law, you are being advised that, Dr. Jack McGettigan has a direct financial interest in the diagnostic or treatment agency or in non-routine goods or services named below. Further as indicated below, goods and services that I have prescribed are available elsewhere on a competitive basis.
