

Patient Bill of Rights

Every patient is entitled to:

- **A smile**
- **Acknowledgment** upon arrival in the office
- **A warm greeting**
- Be served by **staff who are willing and eager to assist them.**
- **The information need** to make good healthcare decisions
- **The experience and knowledge** we in the office have to offer
- **Having all information regarding fees and payment** plans regardless of their financial status.
- A **“Thank You”** and **“Have A Good Day”** each and every time they come to our office.

The best compliment you can give to our practice is to refer a loved one.
